Randolph Building
401 Dulany Street
Alexandria, VA 22314

Sir:

In accordance with the duty of disclosure under 37 C.F.R. § 1.56 and §§1.97-1.98, and supplemental to the Information Disclosure Statement that was previously filed on October 26, 2004, Applicants hereby submit a copy of a European Office Action dated June 20, 2007 issued in connection with European Patent Application No. 103 12 776.3, which is a counterpart of the instant application, and an English language translation of the European Office Action. In particular, the European Examiner cited the following documents:

- (1) European Patent Application No. 0 516 519, which was cited in Applicants' October 26, 2004 Information Disclosure Statement;
- (2) U.S. Patent No. 4,383,407, which was cited in Applicants' October 26, 2004 Information Disclosure Statement;
- (3) U.S. Patent No. 4,313,567, which was cited in Applicants' October 26, 2004 Information Disclosure Statement; and

(4) German Patent Application No. 694 14 086, which corresponds to European Patent Application No. 0 661 436, which was cited in Applicants' October 26, 2004 Information Disclosure Statement.

The relevance of these documents, as ascertained with respect to the European claims by the European Examiner, is set forth in the European Office Action.

As items (1) – (3) were previously cited in Applicants' October 26, 2004 Information Disclosure Statement, these documents are being submitted herewith. As item (4) is a German language member of the English language document cited in Applicants' October 26, 2004 Information Disclosure Statement, a copy is enclosed. However, as this document is cumulative to the English language family member already of record, this document has not being listed on a PTO-1449 form.

Should there be any questions or comments, the Examiner is invited to contact the undersigned at the below-listed telephone number.

Respectfully submitted,
Martin ROTH et al.
